2022 April Show (Apr. 6 - 8, 2022)

FaW TOKYO - FASHION WORLD TOKYO 2022 (Apr.) achieved great success!

Overview

One of the highlights of FaW TOKYO 2022 April was that we welcomed some international exhibitors who were able to travel to the show to exhibit in person at Tokyo Big Sight Japan.

They showcased products and had meetings with onsite visitors for the first time in the last 2 years.

As buyers still have limited opportunities to travel to International shows, great energy was flowing throughout the show and international exhibitors and visitors enjoyed having business meetings face-to-face by touching and checking the products/materials at the booths.

With such international exhibitors, FaW TOKYO 2022 April was successfully held again at Tokyo big Sight with exhibitors from 18 countries/regions gathering 17,140 visitors, and also attracted major Japanese TV stations and social media influencers.
